PUBLIC NOTIFICATION

Upon submittal of a complete application for an enterprise under section 28- 231 of code of ordinances, the planning official shall provide notice to each district council member in whose district any portion of the tract included in the enterprise permit application request is located, and each neighborhood association with defined boundaries registered with the department of neighborhoods in which any portion of the lot or tract included in the enterprise permit application request is located.

This is to certify that the information on this form is complete, true and correct and the undersigned is authorized to make this application and has personal knowledge that this application and the materials provided herein are true and correct. I also understand that this application and the materials provided herewith are government records; false entries subject the applicant to criminal prosecution under Sec 37.10 of the Texas Penal Code (fine of up to \$4,000 and/or up to one year in jail). I understand that **Restricted Permit** applicants may not store hazardous materials out of doors.

Signature of applicant or agent _____ Date _____
